

Happy Snow Day from Maltby Year 4!

Here is a picture of the snow from my living room window!

Maths

Please spend half an hour on TTRs practising your times tables and then complete the Year 4 Winter Themed Challenge Maths Cards.

Literacy

Please spend at least half an hour on Spelling Shed practising this week's spellings. Let's see if we can make it to the top of the leader board!!

Then write a story based around this picture.

Topic

Research what life would have been like in Anglo-Saxon times. What was daily life like? What food did they have? What were their homes like? What jobs did they have? Did they go to school? What were their clothes like?

Have fun this afternoon!

You could:

Make a snowman - who can make the biggest?

See how long you can keep a snowball for - you are not allowed to keep it in the freezer! What could you do to stop it from melting?

Go sledging - how could you make your sledge go faster?

Get cosy - have a hot chocolate, snuggle under a fluffy blanket and watch a film!

Hopefully I will see you all on Monday, enjoy the snow and your weekend!

Love From Mrs Little xxxx
