

SCHOOLS CODE OF CONDUCT AND VISITORS POLICY

We would like to remind parents/carers & visitors of the schools Code of Conduct and Visitors Policy. All staff are expected to behave professionally at all times and we also expect parents/carers & visitors to behave in the same manner.

The purpose of this email is to provide a reminder to all parents/carers & visitors to our school of what is expected conduct. This is so we can continue to flourish, progress and achieve in an atmosphere of mutual understanding.

We expect parents/carers and visitors to:

- Respect the caring ethos and values of our school
- Understand that both teachers and parents need to work together for the benefit of their children.
- Demonstrate that all members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour.
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
- Correct own child's behaviour especially in public where it could otherwise lead to conflict, aggressive behaviour or unsafe behaviour.
- Approach the school to help resolve any issues of concern.
- Avoid using staff as threats to admonish children's behaviour.

The Academy will not tolerate conduct of a disrespectful or aggressive nature on its premises. This kind of behaviour can be considered threatening, upsetting and can also be classed as harassment. Parents/carers and visitors who behave in this manner will be barred from the school premises and grounds.

If you have any issues that you feel strongly about please contact the school office.

Kind regards,

Mrs J Winnard
