Dear Parent/Carer

In the final week of half term, we are going to be talking about how your child has changed since they were a baby, for example, how they have grown in height, the change in their hair, how it has grown etc.

To support this, we would be most grateful if you could provide us with some 2 photos of your child as a baby/early toddler and 2 photos of them now, so we can compare them. Please email these to [admin@heathergarth.org](mailto:admin@heathergarth.org) for attention of Mr Fisher by **Wednesday 18 October 2023** at the latest.

These will support our discussions and link to history elements of 'Understanding the World' in our Early Years curriculum.

If you have any queries please feel free to ask.

Mr D Fisher
