

Wednesday 22 November 2023

Dear Parent/Carer

This half term, Year 6 will be studying sustainability and climate change as part of their Geography unit. As part of our studies, we have arranged a visit to Drax Power Station on **Friday 2 February 2024**.

The children will have a tour of the station which will include learning about the biomass domes, the cooling towers, the turbine hall, the control room and how they generate electricity now, as well as plans for sustainable energy, in the future.

Your child will need to arrive at school for 8.35 am as the coach will depart at 9.00 am. The coach will depart from Drax Power Station at 2.00 pm, and depending on the traffic, will return back to school at approximately 3.05 pm. **You will need to indicate on the slip below whether you will collect your child from school or allow them to walk home alone.**

Please make sure your child is wearing their school uniform, sensible footwear and an outdoor coat. Your child will also need a packed lunch. **No chocolate or glass bottles please.** Your child **does not** need any spending money.

The cost of this visit will be **£13.00**. **Initially, a £7.00 deposit is required by 21 December 2023** followed by the remainder of the balance no later than **Friday 19 January 2024** via School Gateway. Please note, if we do not receive enough voluntary contributions to support this education visit the school reserves the right to cancel the trip.

Please complete the attached form consent form, together with the slip below, and return as soon as possible.

Many thanks for your continued support,

Mrs Bower and Mrs Carr

Year 6 Teachers
