

December 15th December

Dear Parents and carers

I am pleased to be able to inform you that we will be running Booster sessions for all children in Year 6 in preparation for the SATs in May. This extra tuition will benefit your child in revising and help them to build up confidence for the SATs tests. The children will be taught in small groups with a numeracy focus. Lessons will specifically target the needs of the children in each group. These sessions will be run by school staff, who the children are familiar with.

Your child's session is on a **Tuesday** after school until **4.05p.m.**

These will commence on Tuesday 9th January and run until May.

Your child can walk home or be collected from the Year 6 classroom at the end of the session.

Could you please complete the attached form and return to school no later than **Wednesday 20th December.**

If you require any information, please do not hesitate to contact me.

Thanks again for your continued support.

Kind Regards

Mrs Bower
