

Friday 12 January 2024

Dear Year 2 Parents/Carers

This year the government are no longer requiring Year 2 children to undertake compulsory national testing. However, it is the end of a Key Stage and we will still need to show a level at which the children are working at in order to track progress as they move through school. This level will now be decided by the class teacher based on evidence produced by the children in school. In order to do this as accurately as we can, some form of 'testing' is useful. Therefore, we will still be administering the SAT's although not in quite as rigorous a format as they have previously been delivered. The government are continuing to provide the materials to support this approach.

We are therefore, inviting you to a meeting, where we can explain to you the purpose of the tests, what they look like, what is expected of your child, how you can support your child and how they are delivered at Heather Garth.

The meeting will be on **WEDNESDAY 7 FEBRUARY 2024 @ 8.50 AM TO 10.15 AM IN THE SCHOOL HALL. Please enter the school grounds via the top school gate and go to the hall doors. Refreshments will be available.**

Please complete and return the slip below.

Kind regards,

Mrs Sarah Burgess  
Year 2 Teacher
