

Barnsley Bikeability Cycle Training

Dear Parent / Guardian,

Bikeability is the national award for cycling and is delivered by Active Barnsley on behalf on Barnsley Council, aiming to help give children and young people the skills to confidently ride a bike safely.

Bikeability cycle training will be delivered in your school, week commencing 24/06/24.

Bikeability sessions will be delivered on the playground and quiet, safe residential roads close to school, all within school time.

- Full training is delivered by experienced and qualified instructors.
- Free bike safety check.
- If you haven't got a bike, we can loan a bike and helmets where needed, just indicate on the consent form.
- Children undertaking the course will receive a badge and certificate

Please note, both levels of this course are for children who can already ride a bike and they should be able to balance unaided as a minimum. Children that are considered to be riding competently after Level 1 will progress to Level 2.

Bikeability Level 1 - Developing your child's basic riding skills and understanding of riding their bike.

Bikeability Level 2 – Developing your child's confidence and understanding of local routes.

For more information about Bikeability, please visit www.bikeability.org.uk

Yours Faithfully,

Adam Robinson
Bikeability Co-ordinator BMBC / Active Barnsley

Barnsley Bikeability Cycle Training Pupil consent form

Your child will be unable to take part if this form is not returned to school.
