

28 June 2024

Dear Parent/Carers

We would like to invite you to attend a 'Story Sack' session for FS1 children. A story sack is a large cotton bag containing a book and props that support the story.

Benefits of Story Sacks

Sharing story sacks with children offers a multi-sensory approach to the reading process and will help develop early literacy skills and a love of reading. Using story sacks is an excellent way to create and sustain an interest in books. Children enjoy fun and interactive activities and this is a perfect way to allow children to be more hands-on during story time, stimulating their minds and imagination by bringing stories to life. It creates another dimension to the book and allows children to make sense of what is going on in the story. A story sack encourages children to play and explore, allows them to think creatively and provides opportunities to create and think critically.

Should you choose to/be able to attend one of our story sack sessions you will then be eligible to use our school story sack lending library during term time. We have over 40 story sacks available for you to try out.

Please complete and return the slip below to confirm whether you can attend one of the sessions:-

Kind regards,

Mrs Roach

FS1 Teacher
