

## HEATHER GARTH PRIMARY ACADEMY

Dear Parent and Carer

2 July 2024

This half term, Year 6 have been taking part in an Enterprise project which has involved them forming their own company and working together to provide either a service or produce a product.

The project gives the Year 6 children a great opportunity to learn about enterprise and areas such as; budgeting, finance, marketing and most importantly team work. The events themselves also give the children the opportunity to work with younger children in a responsible and 'grown up' role.

This year, the Year 6 enterprise event will start on **Monday 8th July** and run **throughout the week** whilst stocks last.
