

It is Snowing

It is snowing, it is snowing,
On my head, on my head.
Let me put a hat on, let me put a hat on,
On my head, on my head!

It is snowing, it is snowing,
On my neck, on my neck.
Let me put a scarf on, let me put a scarf on,
Round my neck, round my neck!

It is snowing, it is snowing,
On my feet, on my feet.
Let me put some boots on, let me put some boots on,
On my feet, on my feet!

It is snowing, it is snowing,
On my body, on my body.
Let me put a coat on, let me put a coat on,
On my body, on my body!

It is snowing, it is snowing,
On my hands, on my hands.
Let me put some gloves on, let me put
some gloves on,
On my hands, on my hands!
