

Due to the continuing COVID 19 measures in place by the UK government, your child's class teacher will be providing work for your child in the coming weeks via our school blog. This will include a number of online learning resources/portals that have become free to parents/carers in recent weeks as ones your child will be familiar with including TT Rockstars and PurpleMash.

If you are unable to carry out any of the online tasks then please attempt them/alternatives in your homework book.

Each Monday (by 9.30a.m), the class teacher will upload the following grid to the blog outlining the activities they recommend for your child and where to find them. White Rose Maths Hub, the scheme of learning we use to support the teaching of maths in school, are also providing daily video tutorials/lessons and corresponding activities that we will be directing you to.

Reading/Phonics	A really useful website is Love Reading 4 kids. There are lots of ideas for books to read for your age group and different activities. I had a look at a video clip about the misadventures of Max Crumbly. You could watch this too. <a href="https://www.lovereadings4kids.co.uk/kids-zone/videos/the-misadventures-of-max-crumbly">https://www.lovereadings4kids.co.uk/kids-zone/videos/the-misadventures-of-max-crumbly</a> What questions would you ask the authors about their books? What questions would you ask the main character now you know a bit about him? What do you think Max's new adventure will be?  Share a book each day with your grown up.
