

Due to the continuing COVID 19 measures in place by the UK government, your child's class teacher will be providing work for your child in the coming weeks via our school blog. This will include a number of online learning resources/portals that have become free to parents/carers in recent weeks as ones your child will be familiar with including TT Rockstars and PurpleMash.

If you are unable to carry out any of the online tasks then please attempt them/alternatives in your homework book.

Each Monday (by 9.30a.m), the class teacher will upload the following grid to the blog outlining the activities they recommend for your child and where to find them. White Rose Maths Hub, the scheme of learning we use to support the teaching of maths in school, are also providing daily video tutorials/lessons and corresponding activities that we will be directing you to.

Celebrations	<p>The project this week aims to provide you with opportunities to learn more about celebrations. Learning may focus on different types of celebrations that take place and who may celebrate them. It could look at how people celebrate different events differently in other parts of the world.</p>				
<p>Planning a Celebration- it's time to plan a celebration event of their choice. This could be a birthday party, an Eid celebration, an Easter hunt or anything else they wish to plan. You have £150 to spend and 25 guests will be attending. What will the money be spent on? Plan the celebration considering the location of the event, how you will decorate the venue, what your guests will eat and drink and how you will entertain your guests.</p>	<p>Time to Design- Can you imagine your perfect celebration outfit? What would it look like? What would it be made from? How comfortable would it need to be? Design a costume for a celebration of your choice. Think about the patterns you would like to incorporate on your design and the cultural traditions.</p>	<p>Birthdays around the World- Birthdays are celebrated differently in different countries. Write an information report detailing how birthdays are celebrated in the following countries: China, England, Spain, Italy and Mexico. Ask your child which country would they like to celebrate their birthday based on their findings? Why?</p>	<p>What's the same and what is different? - Select a holiday/festival of your choice and research how different countries around the world celebrate this event. You could compare whether it is celebrated at the same time, the outfits people wear, the food eaten etc.</p>	<p>British Celebrations- In Great Britain, Valentine's Day, St Patrick's Day and Bonfire Night are just some of the celebrations that take place. Choose one celebration day and research how the celebration came to be. Using the information you have found, plot the events on a timeline and include dates, details and pictures/sketches. EXT: Now create a poster advertising the celebration day. This could be done on a computer programme of your choice or on paper.</p>
