

Due to the continuing COVID 19 measures in place by the UK government, your child's class teacher will be providing work for your child in the coming weeks via our school blog. This will include a number of online learning resources/portals that have become free to parents/carers in recent weeks.

If you are unable to carry out any of the online tasks then alternatives will be provided that your child can complete in their home school book that already has suggestions for activities to do at home. Please use the grid activities below rather than these!

Each Monday (by 9.30a.m), the class teacher will upload the following grid to the blog outlining the activities they recommend for your child and where to find them. White Rose Maths Hub, the scheme of learning we use to support the teaching of maths in school, are also providing daily video tutorials/lessons and corresponding activities that we will be directing you to.

	Monday	Tuesday	Wednesday	Thursday	Friday
Number songs and rhymes	https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmn 10 in the bed	https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmn 1 finger 1 thumb	https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmn 5 little monkeys swinging in a tree	https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmn 1big hippo	https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmn 10 green bottles

Literacy and pencil control	https://www.doorwayonline.org.uk/literacy/letterformation/ Practise your Capital Letter formation (upper case) try writing them in your home school book too	https://www.youtube.com/watch?v=ovgPLvue164 Use your play dough and go to the dough disco	https://www.doorwayonline.org.uk/literacy/letterformation/ Practise your Capital Letter formation (upper case) try writing them in your home school book too	https://www.youtube.com/watch?v=ovgPLvue164 Use your play dough and go to the dough disco	https://www.youtube.com/watch?v=9siyDPch-6c Oh dear what happens to the bus? Could you write a sign to warn people the bus has broken down?
Topic based activities	<u>We are finding out about buses this week</u> Can you sing the wheels on the bus? Sing and act out this lively rhyme together Can you make up your own actions? You might have ideas for new verses.	<u>Pretend you are going on a bus journey</u> Where will you travel to? Will it be a real or imaginary place? You could pretend to be on the bus using a plate or Frisbee as the driving wheel and set off into your adventures. You might want to look at an atlas, a travel brochure, books or online for inspiration. If you are travelling far, you might want to pack a suitcase or a backpack. You could discuss what you might need for a beach holiday or a visit to Santa in an icy landscape.	<u>Make tickets</u> Why not make your own tickets for the bus. What price will they have on them? Will they be 5p, 10p, 20p, etc? One person could be the bus driver and the other could be the passenger and use the money to pay for the ticket. This will help your children learn about the coin's value and gain an understanding of money.	<u>Design a bus</u> Can you design a bus? You can draw it and perhaps create one. Use your imagination and think about what special features your bus will have. Be inventive. It could even be a flying bus. Encourage children to think about being a designer, a scientist and an artist whilst they are imagining their creations.	<u>Rolling</u> Find things that roll. How far can they go? Try rolling things down ramps (a piece of carpet or wood perhaps). Which travel the furthest? Can you use any of our 3 D shape names that we have learnt Did you find any cylinders or spheres?
	Don't forget PE with Joe Wicks at 9a.m. Fresh air in the garden or a short walk are also important.
