

Due to the continuing COVID 19 measures in place by the UK government, your child's class teacher will be providing work for your child in the coming weeks via our school blog. This will include a number of online learning resources/portals that have become free to parents/carers in recent weeks.

If you are unable to carry out any of the online tasks then alternatives will be provided that your child can complete in their home school book that already has suggestions for activities to do at home. Please use the grid activities below rather than these!

Each Monday (by 9.30a.m), the class teacher will upload the following grid to the blog outlining the activities they recommend for your child and where to find them. White Rose Maths Hub, the scheme of learning we use to support the teaching of maths in school, are also providing daily video tutorials/lessons and corresponding activities that we will be directing you to.

Don't forget legs, head, feet, tail, mouth, eyes, horns, spikes! What else could you draw on him?
Topic based activities	With the holidays coming up we are going to look at some seaside activities this week. Listen to the story of 'The Rainbow Fish'. https://www.youtube.com/watch?v=r9mryuEKkKc Can you create a picture of the rainbow fish or a paper plate collage?	Can you tell someone the story of The Rainbow fish? You could make some little picture puppets to help you.	Use the internet or books and make an poster about a sea creature of your choice	The Rainbow Fish's scales are 'every shade of blue, green and purple'. Can you try mixing paint to make lots of different shades of these colours?	Make your own 'rainbow' animal. Could you create a Rainbow Bird, a Rainbow Butterfly or a Rainbow Chameleon? This could be a picture, painting or a 3D junk model.
	Don't forget PE with Joe Wicks at 9a.m. Fresh air in the garden or a short walk are also important.
